## A PREAMBLE

---

All Tri-County Youth Football League (TCYFL) coaches must realize the game of football is played for the benefit of the participants. An emphasis will be placed on developing lifelong values. Coaches are role models and will set positive examples for players, parents, and spectators. Following this philosophy and coaching within these guidelines will bring credit and recognition to the individual teams and the league.

The TCYFL shall consist of Jefferson County Youth Football League (JCYFL), South Berkeley Youth Football Association (SBYFA), Eastern Panhandle Youth Football League (EPYFL), and Warm Spring Wolves (BSYFL). Players are organized into teams in accordance with their individual league rules.

National Federation of State and High School Associations (NFHS) rules apply to all scheduled league and interleague games unless amended by the rules and regulations of the TCYFL. Any questions not covered by these rules, official interpretation thereof, or any conflict not subject to protest shall be decided by the commissioners of all three leagues.

The coaching of intentional holding, beating the ball, illegal shifting, feigning an injury, interference, illegal forward passing or intentional roughing will break down rather than aid in the building of the character of players. Such instruction is not only unfair to one's opponent but is demoralizing to the players entrusted to a coach's care and has no place in a game that is an integral part of an educational program.
